

# Hard working, easy to ride and fuel efficient.

*The XR125L is specially designed to deliver superb performance on roads and trails. Powered by a quiet, reliable and economical 4-stroke engine with 5-speed transmission, this lightweight machine features the durability and performance for which Honda is famous.*

- Strong rear carrier has plenty of carrying capacity.
- Long travel suspension delivers a smooth ride, even on unimproved roads.
- Comfortable long seat reduces rider fatigue and has space for a passenger.
- Excellent dual-purpose tires deliver good traction on dirt and asphalt.
- Amazing fuel efficiency and low maintenance thanks to a reliable 4-stroke engine.
